2017 Spring Thing Fundraiser—Personal Donation Form

We need your help filling up the pages of our Spring Thing auction catalog with fun, innovative, diverse, and interesting donations. It is the only way we can reach our fundraising goal of at least \$27,000. Please help us reach this goal while realizing another goal—one personal donation per family unit. Together, we can do this!

Think of your hobbies, what you like to do best, and what things are you good at and turn them into a personal donation. Consider items such as events, dinners, and services; physical items will not be accepted (e.g., *Cookies of the Month* is great donation idea, but not an actual platter full of cookies; or, a *Custom T-shirt Quilt*, but not an existing quilt).

Please submit your personal donation one of three ways: (1) complete and return this double-sided Personal Donation Form, (2) fill out the automated Personal Donation Form via the UCH website, or (3) simply email the information (no form needed) to Jill Jackson by **Saturday, March 25**. Also, it would be a big help if you could please submit a picture (or a graphic of some kind) electronically, to make the catalog look more appealing.

If you have any questions or need any helping coming up with donation ideas, please contact Jill Jackson at jillnmijackson@gmail.com or 312.231.9870.

Our last goal for the Spring Thing is that it helps build and strengthen our community and becomes the driving force for setting our annual social calendars. Personal donations are the best way to achieve this goal.

Thank you so much for your personal donation and for getting involved!
