CARING CORNER

The ripples of our lives touch those around us. We keep in mind all of our members and friends including...

- Our deepest sympathies to the family of Albert K Fischer who died Tuesday night following a short illness. Al leaves behind his wife, Betty, and three sons.
- David Wright is recovering from a broken ankle at The Pearl of Naperville Rehab Center. He is in quarantine until Jan 26 but appreciates cards and calls.
- Lauren Niewold and her husband Kyle said goodbye to their beloved dog, Pepper Oliver on Friday, January 14, 2022. They ask for your prayers during this difficult time.
- Jerry Shipton gets home from rehab this weekend as he recovers from a fall. We send him love and prayers for speedy recovery.
- Remember those folks who have lost loved ones this year. Keeping them in mind, inviting them to events, sending texts and cards all help to let them know we still care.

Please let us know of folks we should add to our list and share with our Caring Circle Coordinators by emailing [Pam Fodor](#) or [Rev Pam](#). Also email [Cherita](#) to be included in N&Ns.

UPCOMING WORSHIP SERVICE - ONLINE ONLY

January 23: Why Church?

Rev Karen Mooney

Writing about her son, author Anne Lamont says "The main reason (I make Sam go to church) is that I want to give him what I found in the world, which is to say a path and a little light to see by." Do our beliefs make a difference? As January moves us into a new year, as COVID keeps us at bay, as our resolutions turn to new habits (or not) we pause to remember why we make the time to be in a community together.

We will continue having Sunday services online only through the end of January. The service will be shared on [YouTube](#).

You can view the Sunday service live and recordings of past services on our [YouTube channel](#).

Click [HERE](#) to Join Virtual Coffee hour on Zoom after Worship.

We are now *Live* to the world, we so ask that during the meditation time, you use only first names to protect the privacy of those you are concerned about, unless you are announcing public information such as a death or a memorial service.

January 30: Confessions of a Former Theist

Rev Pam Rumancik

Theist, Atheist, Pantheist, Natural Humanist; ever wonder what all these labels say about the people that wear them? Some folks are still operating on the catechism they learned in second grade - God is the big father in the sky. Some have made decisions about the nature of reality in their 20s and have it all figured out. What does it mean for Unitarian Universalists to stay open to an evolving spirituality? Do we listen to our experiences or our brains? What is the nature of God - if there is one?

COVID UPDATE

Remote Services thru January

Covid Update from UCH Leadership

Dear Members & Friends,

Your church leadership continues to monitor the surge as it makes its way around the world. There are encouraging signs of dropping illness rates around the country but locally we are still in the severe risk level on the [Covid Tracking Act Now](#) website.

Thanks for your patience, your compassion and the precautions you are taking to remain healthy. This is a gift to everyone around you. We trust that it will continue to improve and we may gather in person as a community in the coming weeks.

Watch this space for updates. Be safe!

THIS WEEK IN THE RELIGIOUS EDUCATION PROGRAM

SPIRIT PLAY and CHAPEL SERVICE

One of the ways Unitarian Universalists gather inspiration and wisdom is by listening to the stories of important people throughout history. You might say they are heroes and heroines because they believed in something important and worked to make our world a better place.

The heroine this week is Rachel Carson.

Join VIRTUAL Seminary for a Day
First Unitarian Portland
Doing the Inner Work of Racial Justice
Saturday, January 29, 2022

Our keynote speaker is Rev. Abhi Janamanchi who serves as the Senior Minister of the Cedar Lane Unitarian Universalist Church in Bethesda, Maryland. He describes himself as a Hindu-Unitarian Universalist and says that his Unitarian Universalism makes him a better Hindu.

If you are engaged in the work of racial justice and long for spiritual connection in this work, join us for this year's virtual Seminary For A Day.

This is an opportunity to gain a deeper understanding of how racism has shaped our UU faith and our congregations; how structural racism still operates today, often unnoticed; and what is involved in cultivating Beloved Community and working against racism and oppression in all of its forms.

We will practice mindfulness meditation, conversation, and experiential exercises that get to the heart of healing internalized racism and being anti-racist. We will seek to create brave space, engage in courageous conversations on what is healing and what is harming racial justice, and rest in restorative meditation and embodied practices.

Details: Saturday, January 29, 2022

11:30 a.m. - 2:00 p.m. Central Standard Time

Registration is open until 11:00 a.m. Pacific Standard Time on Friday, January 29th. You will receive a Zoom link via email before the event.

Support for those Imprisoned

On Faith and Freedom: A Teach In on the Pretrial Fairness Act

Join us on February 15th at 6pm for a focused, energizing virtual teach-in for clergy and people of faith throughout Illinois on the Pretrial Fairness Act and the movement for pretrial freedom. We will give you an opportunity to reflect on how our respective faiths call us to defend this historic transformation of our state's pretrial justice system, with a presentation followed by time for discussion. We want you to be equipped with factual information on:

- The Pretrial Fairness Act
- The community effects of ending money bond
- The reason we need to continue engaging this movement as people of faith and conscience

We hope this time will inspire you to share this experience and knowledge with the communities you serve, and to join the movement for pretrial freedom in Illinois!

Qualified senior citizens, aged 65 years and older are invited to apply for Senior Citizen Real Estate Tax Deferral Program. The program allows participants to defer property tax payments until the property is sold. The deferral is treated as a loan and accrues 6 percent simple interest until paid. The application period closes March 1, 2022. For more information, contact the DuPage County Treasurer's Office at 630-407-5900 or www.dupageco.org/treasurer. Gwen Henry, Treasurer.

SOCIAL JUSTICE COLLECTION

UUANI powers the justice work of congregations.

UUANI provides Unitarian Universalists across Illinois with advocacy and legislative leadership to effectively build community and power to promote justice and a healthy planet. They bring social justice into the heart of spiritual life of congregations and develop ways for church communities to live the UU principles. They help bridge communities and congregations and align spirituality with tangible actions to affect change.

UCH's Share the Plate collection this month will support the ongoing work of [UUANI](http://UUANI.org). You can send a check to the church with UUANI in the memo line or click the [donate button](#) at www.hinsdaleunitarian.org and choose 'Social Justice' from the drop-down menu. Thanks so much!

Update on the Reunited Aurora Family Seeking Asylum

THANK YOU SO MUCH for your generous donations to this family! We have visited them several times (including dropping off wrapped presents on 12/19) and they have been so appreciative. Thanks to the generosity of many, they now have the household and clothing items they need.

The family still has ongoing financial needs as the process for getting work authorization is expected to take several more months. **To contribute, make a cash donation through the church by writing a check with "Aurora family" in the memo, or you may purchase VISA, Aldi's, Target or WALMART GIFT CARDS directly.**

Read more about families in this situation [here](#).

Anyone who would like to help coordinate UCH's work with this family, please contact Rev. Pam, Marian Honel-Wilson, or Bonnie Wayman-Dodd. At this time we are mainly looking for people to organize fund-raising efforts (perhaps a Go Fund Me?) and/or pledge monthly donations for January through April to assist the family until they are able to obtain employment and support themselves financially.

Read the upcoming January Touchstone for details.
