

What do you think of when you hear the words
RELIGIOUS EDUCATION (RE)?

The study of world's religions? Challenging questions? Boring classes?
Stuffy teachers? Work? Tackling issues? Ho hummness?
Not this year!!

Instead- we are going to have

RADICAL EXPLORATION (RE)!

Your child and their journey guides (teachers) are going to explore the gifts of our
Unitarian Universalism faith through

Wonder! Curiosity! Questioning! Discovery! Fun! Art! Movement!

It will be a whole new adventure with all ages exploring together what it means to
be a Unitarian Universalist in our world.

Get ready to open a new gift every week and celebrate!
