

UCH – Projects

Below is an ongoing list of potential building projects that have been identified. There is no particular time table for completion of any of these but they are on the radar of the Home and Garden Circle Coordinator.

MAJOR PROJECTS

Replace RE Gas Water Heater with Electric
Resurface parking lot
Recondition Lift in RE Building
Add bollards at RE building to protect the new electrical panel work.
Tuck point church building

Ongoing Upkeep Projects:

Replace worn flooring:
 RE building carpeting
 Church living room & stairs carpet
 Remove & replace marble flooring in all bathrooms
Revisit Landscaping plan to reduce needed maintenance
Paint Doors on RE building (side & back)

Additional Projects Suggested by Beautification Committee:

RE Building:

- Bathroom updates
- Unifying carpet throughout building
- Paint classrooms
- Paint black insulation on HVAC piping
- Add lighting & ceiling fans to Joshi

Church:

- Add canned lights to Living Room
- Simplify Foyer entrance (remove closets) Add artistic focal point
 - *Ed Searl Memorial Project?*
- Update living room furniture - comfortable & multifunction
- Replace window coverings
- Replace flooring in sanctuary & AWR
- Build solid wall at end of AWR
